Date: 21 September 2023

Hong Kong College of Technology
14 Princess Margaret Road,
Homantin, Kowloon, Hong Kong

Dear Ms. Karman K. W. Wong,

We are pleased to inform you that the Institution's Council, upon the recommendation of the Qualification & Membership Committee, has decided to grant the following programmes as the recognized engineering studies meeting the academic requirements leading to the membership of the Institution after review:

1. Diploma in Professional Studies (Electrical)
2. Higher Diploma in Electrical & Electronics Engineering
3. Professional Diploma in Civil Engineering
4. BSc (Hons) Facilities Management (conferred by the University of Central Lancashire, UK)
5. BSc (Hons) Construction Project Management (conferred by the University of Central Lancashire, UK)
6. BEng (Hons) Electronics & Electrical Engineering (conferred by the University of Sunderland, UK)
7. BEng (Hons) Civil Engineering (conferred by the Leeds Beckett University, UK)

The granted recognition is covering for the term from 1 January 2024 to 31 December 2026 (3 years' term) and is subject to be reviewed by the Institution upon the expiration of the stipulated period.

Yours sincerely,

Ir Dr William IP Ngai Bong
Chairman HKIIE
